

47. **because they were going to visit his aunt.**

All the other alternatives are phrases, not clauses, because they do not have a verb.

---

48. **The sheep was caring for the little lamb.**

The plural of *peach* is *peaches*. *Fish* and *clothing* are both singular and plural. There is no such word as a noun, *fishes* or *clothings*. *Sheep* is both singular and plural. Here one sheep was caring for the lamb.
